
This disclaimer applies to all data supplied with VDOT's roadway LRS and must accompany both initial distributions and subsequent update distributions as an integral part of the delivery.

Access Constraints:

The appropriate VDOT Division is the point of contact for any party who requires access or further information regarding this data. Please refer to the metadata to determine contact vehicles.

Use Constraints:

Disclaimer: Any person, organization, firm, corporation or other entity using this database does so at its own risk. The Virginia Department of Transportation accepts no liability for any loss suffered by any person, organization, firm, corporation, or other entity from the use of the information in this database. In addition, the Virginia Department of Transportation does not guarantee system availability and is not responsible for any losses associated with any system unavailability.

VDOT's digital data files are for use in performing the official business of the Commonwealth of Virginia. VDOT Divisions set all policy on the allowable uses of this data.

The representations of VDOT business data contained within are believed to be correct. This data is provided without any guarantee of accuracy, timeliness or completeness. No business decisions should be made based on this data without first validating its accuracy against the official Source System of Record (SSR). Users of this data are solely responsible for determining if it is appropriate for their application.

Please report errors and omissions directly to the appropriate VDOT Division data owner.

Data_Set_Credit:

This data was created as part of a joint effort between the GIS Program Office and the RNS Program, both contained under the Information Technology Division of the Virginia Department of Transportation. It also includes street names from the new VGIN Master Centerlines. Users of this data must credit the source(s). Use of these copyrightable files or data layers indicates agreements to abide by all copyright laws and restrictions regarding the files. The copyrightable files and hard-copy maps developed from the files may not be duplicated, sold or distributed without written permission from VDOT.
